MANAGER'S CORNER

The feature employee this quarter is Nadia Heinrich, the Director of the Jefferson Public Library. Nadia began working for the Library in early 2021 as the Assistant. After just a few months, she began training for the Director position and stepped into that role seamlessly this last December. You may recognize Nadia from somewhere else too, as she won a People's Choice Award in 2019 for her sheep paintings she submitted for the City's Art Show. Nadia is originally from the California Bay Area and moved to Jefferson in 2016. She has a son, John, who turns 4 in June. In addition to Nadia's love of books, she also enjoys painting, horseback riding, and other outdoor activities. Nadia has been a great addition to the City's staff and has done a phenomenal job running the Library. We hope Nadia will be a part of the J-Town Staff Family for years to come.
