2. *Begin testimony with your full name and address or affiliation.*
3. *Recognize that the value of testimony is determined by substance and relevance to the criteria. The length of testimony and the strength of conviction do not determine the value of testimony.*
4. *Avoid repeating testimony. Instead, endorse and support previous testimony when appropriate.*
5. *If your testimony is long or complex, please provide a written version (preferably 10 copies) as well.*

*Listen respectfully to the testimony from others and to the deliberations of the Commission. Disruptive, disorderly or abusive conduct is not permitted. Audience demonstrations such as applause, cheering, or display of signs are also not permitted.*
