### MANAGER'S CORNER

This quarter features Sharon Isted, the Assistant & Youth Services Coordinator at the Jefferson Public Library. Sharon is approaching her 1 year anniversary with us, having joined our staff in November 2021. Responsible for story times and other crafts and projects, you probably recognize Sharon's warm smile, welcoming nature, and storytelling voice, complete with varying tones and animations to match the characters of whatever book she's reading. She has a heart for children and serving the community, and it shows. Born in Wisconsin, Sharon spent much of her childhood at her grandparent's farm. Later moving to Oregon, she met her husband and they now have 2 adult daughters and have been married 41 years! Sharon loves working at the Library because she says it feeds her mind and soul, and the friendly community makes her job a joy. When Sharon is not at work, she likes to garden, cook, read, and do crafts of all kinds. We think Sharon is the perfect fit and are fortunate to have her as part of our Library staff!
