### Online Crime Reporting Option Available

Crimes go unreported all too often! This skews statistics and creates a challenge for law enforcement to identify patterns. We know life is busy and it's sometimes hard to find even a few minutes to call in the graffiti you saw on your way to work or the bag of cans stolen from your porch.

NOW YOU CAN REPORT IT ONLINE at

<https://www.co.marion.or.us/SO/Pages/OnlineReporting.aspx>

With the holidays approaching and online shopping at an all-time high, we can't stress enough the importance of bringing packages inside as soon as possible. Tips: always track your orders so you are aware of deliveries; make arrangements with trusted neighbors to collect packages if you won't be home and vice-versa; install security cameras; check your porch for unexpected deliveries before going to bed each night...just in case!

### MANAGER'S CORNER

This quarter we highlight our newest Public Works employee, Nicolas (Nico) Aguilera. Nico moved to Jefferson from Albany about 3 years ago. He likes the small town, friendly community feeling Jefferson provides, while still being close enough to his family in Albany. Before taking the job with the City about 6 months ago, Nico worked in fabrication for 10 years and was ready for a change. During his free time, Nico enjoys fishing, golfing, paintball, and spending time with his girlfriend and family. He is a self-starter, a hard worker, and likes to keep busy. We look forward to having Nico on the team for many years and to supporting and promoting his professional growth along the way.
